The Booklovers Library

"Members anywhere are members everywhere."

UNITED STATES——CANADA——GREAT BRITAIN

THE LONDON CENTRE
17 HANOVER STREET, HANOVER SQUARE

BY INVITATION ONLY

Membership in the BOOKLOVERS is by invitation only. The membership in Canada is positively limited. It is only by choosing our membership that we can protect ourselves and our patrons against the promiscuous circulation of books, and it is only by limiting the membership that we can guarantee the liberal service. The BOOKLOVERS is exclusively a library of new books; few books remain in the Library longer than one year and some not longer than from three to six months. It carries all of the best new books, and has them immediately upon publication; there is no waiting until some one returns a book; the Library buys to meet the demand, no matter how many copies may be needed. It delivers its books in attractive cloth cases made specially for the service. When books become soiled or damaged they are immediately withdrawn and new copies substituted. The service extends from San Francisco to London, and from Montreal and Toronto to the Gulf.

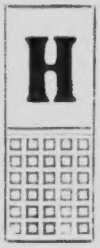
Frames and Framing



OW easily a good Picture may be spoiled by the frame. How effective a simple little bit of a picture may be made by a well-chosen mat and frame.

We pride ourselves on having the largest selection of genuinely Artistic Mouldings in Canada. We gather them from the best factories on the continent. Tastefulness is the keynote of the entire stock.

Our Picture and Picture Framing Departments are on the fifth floor. Artistically inclined people find it a continuous source of pleasure as a place to visit. Always something new to be seen there. Bring in any Pictures you desire Frames for next time you come and see how well we can do it, and how surprisingly cheap.

17 YEARS OF PROGRESS AND SUCCESS MARKS THE "SAFFORD" RADIATOR

Other Radiator manufacturers are frantically endeavoring to reap some of the advantages of the marvellous success and world-renown which the "SAFFORD" has achieved, but their puny efforts can avail little, because wherever the "SAFFORD" has been introduced all other Radiators are out of the consideration. The largest and best Commercial, Industrial and Government [illegible]erns in nearly every country on four conti[illegible] bear testimony to this fact. In evidence of this we name the following institutions where the "SAFFORD" was introduced in the face of the keenest competition from the most famous Radiator manufacturers of the world:

His Majesty's Theatre, London
His Majesty's Office and Works, Birmingham
The Emperor of Germany's Royal Palace
Royal Infirmary, Dresden Germany
Institute of Mechanical Engineers, Westminster
Metropolitan Police Headquarters, London
Palace Hotel, Cairo, Egypt
City Hall, Antwerp, Belgium
City Hall, Pietermaritzburg, South Africa
Exploration Buildings, Johannesburg, South Africa
City Hall, Toronto
King Edward Hotel, Toronto

Illustrated Booklet free on application explaining why no Radiator tested honestly against a "SAFFORD" has ever proven its equal in power or circulation.

SHREDDED WHEAT

TRISCUIT AS TOAST

TRISCUIT WITH COCOA

BISCUIT WITH CREAM

POACHED EGG ON TOAST

SHREDDED WHOLE WHEAT Biscuit and Triscuit

completely nourish the entire body and brain and are the only naturally short and porous foods made from wheat without the use of fats, yeast or chemicals of any kind.

Shredded Whole Wheat is a complete food in itself. It supplies nitrogen for your muscles, calcium salts for your bones and teeth, and phosphates for your nerves and brain. Use *Shredded Whole Wheat* regularly and note your great improvement in health and spirits.

Shredded Whole Wheat Biscuit is staple in every well-provisioned larder and is the reliance of the thoughtful housekeeper because it can be combined with fruits, preserves, and vegetables in making over 250 varieties of all-course dishes. It stands conspicuously alone as a cereal for morning, noon and night. *Place Biscuit in warm oven to renew crispness.*

Triscuit, the appetizing wafer is so baked by electricity that all the rich, nutty flavor of the *Whole Wheat* is retained. There are many original ways of serving it in addition to its standard uses as bread, toast and as a successor to crackers. It makes delicious cheese-toast and sandwiches, and when dipped in icing is transformed into a healthful sugar wafer. *Place Triscuit in warm oven to renew crispness.*

"I have been an invalid for three years; have tried the different breakfast foods, but find that *Shredded Whole Wheat* is the only food that I do not tire of and the only one which when used constantly agrees with me." ETHEL M. SECOND, Ripley, N. Y.

Shredded Whole Wheat Biscuit and Triscuit are sold by all grocers.

AUTUMN EVENING LOUIS APOL

The High Musical Status of the Mason & Risch Pianos

is attested by the following appreciative letter from SIR ALEXANDER MACKENZIE, the eminent composer, Principal of the Royal Academy of Music, London, England, and Conductor of THE GREAT CANADIAN MUSICAL FESTIVAL, from Halifax to Vancouver and Victoria, B.C.

THE MASON & RISCH PIANO CO., Limited,
Toronto, Canada.

Gentlemen,—I wish to express my highest appreciation of your Mason & Risch Pianos. Their tone is in every respect admirable from the sonorous bass to the highest treble. I was struck by the amount of tone color which can be produced even by players of my calibre, who cannot claim to be considered pianists in the real sense of the term, but I am willing to add my testimony to those of better men.

Rich in tone, quick responding touch, firm mechanism, are the requisites of a fine pianoforte—you have secured all these.

Allow me to congratulate you and the Dominion of Canada on the production of such fine pianofortes.

Very faithfully yours,

A. C. MACKENZIE.

The structural features of the Mason and Risch Pianos are entirely iginal in conception, and the Rich Reinforced Tonal Qualities secure he immediate recognition and appreciation of all musical connoisseurs.

CHARLES POTTER is making up day by day pleasing and artistic forms suitable to the faces of the prospective wearers. More important still, the greatest care is taken to attain scrupulous accuracy in the lenses—POTTER has a surface-grinding plant for the manufacture of unusual and particular lens combinations.

Prices are fair and reasonable, high enough to ensure the best work and low enough for the pockets of all.

OF INTEREST TO WOMEN

REALIZING that certain women require the protection of life assurance as much as men, the Imperial Life Assurance Company of Canada begs to announce that it is prepared to receive applications from women upon the same terms and rates as from men.

For the woman who is earning her own living, and striving to provide for her old age ; who is working to provide for dependents; who wishes to save a fund for the education of her children, an Imperial Endowment policy offers many unexcelled advantages, and is practically indispensable. Even wealthy women are adopting the Imperial Endowment policy as the most desirable investment for their money.

Full particulars, etc., will be furnished upon application to any of the Company's representatives, or to

Furriers to H. M. Queen Alexandra and H. R. H. the Prince of Wales

NOTWITHSTANDING the fact season after season finds the Hunters and Trappers moving farther north, the choicest furs more difficult to get, does not in any way affect our stock as regards quantity and quality. Our orders are placed so far ahead and are so large, comprising as they do the stock for our extensive trade in our Quebec and Toronto houses, that we are enabled to get first choice and, owing to the immense amount we buy, at closer figures than those requiring smaller lots, consequently we are enabled to give you greater choice, finer quality and at more reasonable prices than any other Fur House on the continent.

Ready Mixed Paints

Have you ever appreciated fully these two facts—

Paint Beautifies and Paint Preserves?

If you haven't, don't you think they'll stand a lot of appreciating?
But, you've got to get the right paints.

Robertson's Ready Mixed Paints

all colors—are right. They go farther, are better milled, mixed, and easier to handle than any other paints in the market. Ready to apply when the tin is opened. Better send for a color card and prices for paints by mail, if your dealer doesn't handle them.
